Sub:- corversion of the Maddur Minor Municipality into a Town Municipality,

---

Referring to G.C. No. 8927/M.L.129-44-6 dated 8-3-45 directing the conversion of the Maddur Minor Municipality into a town municipality with effect from 1-7-45, I beg to state that I placed the order before the municipal council at their meeting held on 1-4-45 and a copy of the resolution passed at the meeting is enclosed. It is not clear from the rules whether the present council has to be considered as having been disolved and a re-election held for reconstitution of the Town Municipal Council or whether action to hold a bye-election to fill up five more elected places and to nominate one more Ex-officio councillor has to be taken. As the qualifications of voters in a minor municipality are different from those of a town municipality a new voters list has to be prepared as per rule 5 of election rules. The new voters list has to be prepared after passing orders or all mutations etc and it takes considerable time Whether the entire council is reconstitute or a bye-election is held, it will not be possible to corstitute the council with effect from 1-7-45 as under rule 3 of elector rules the voters list could not be prepared and published 3 months before 1-7-45. I therefore solict kind orders as to whether a general re-elector has to be held to corvert this municipality into a town municipality.

I beg to bring to your kind notice that the present minor municipal council was recorstituted for 3 years with effect from 1-1-44 and its period will expire on 31-12-46 In case it is ordered that a gereral election has to be held to corstitute the wide council to give effect to the Govt. order referred to above I beg to suggest that the conversion of this miror municipality into a town Municipality may be ordered to be given effect to from 1-1-46 to enable me to take timely action for the preparation and publication of the voters list and for holding the election as per rules.

The favour of very early orders is requested.
